Student Code of Conduct and Student Handbook Electronic Distribution Acknowledgment

Dear Student and Parent:

As required by state law, the board of trustees has officially adopted the Student Code of Conduct in order to promote a safe and orderly learning environment for every student.

We urge you to read this publication thoroughly and to discuss it with your family. If you have any questions about the required conduct and consequences for misconduct, we encourage you to ask for an explanation from the student's teacher or campus administrator.

The student and parent should each sign this acknowledgment in the space provided below, and then return both pages to the student's school.

Thank you.
