

SSRPM Enrollment

Please take the time to go through the SSRPM Enrollment Wizard. This allows you to change your password if you ever happen to forget your current password.

1. The SSRPM Enrollment Wizard will come up when you turn on your computer.
2. To begin the wizard click Next.

3. Select a question from the drop down menu.

4. Enter your answer and confirm it.

NOTE: You must enter the answer the exact same way. If you are entering your birthdate, remember how you entered it. If it was 3/4/52, it must be entered the same way if you ever forget your password.

5. Select three (3) questions and supply the answers.
6. Click finish.

The screenshot shows a Windows-style dialog box titled "SSRPM Enrollment Wizard - Define question 1 (of 3)". The dialog has a blue title bar with a close button (X) in the top right corner. Below the title bar, there is a question mark icon and the text "Please select a question and provide an answer." The main area of the dialog contains a "Question 1" section with a dropdown menu showing "What is the color of your car?". Below the dropdown are two text input fields: "Answer*" and "Confirm:", both containing five black dots. A note below the fields states: "*Please note that an answer must be at least 3 characters long." At the bottom of the dialog, there is a line of text: "Please click on the 'Next' button to continue." and four buttons: "< Back", "Next >", "Cancel", and "Help".
