

Dear Parents,

I would like to take this opportunity to let all of you know about our summer football camp we will be offering this year. It will be for all incoming 3rd graders through incoming 9th graders. We will be using this time to teach the players basic fundamental football skills, such as passing, receiving, blocking and kicking. The older players will also be getting an introduction to the offense and defense we will be running in the high school and junior high. The kids will be broken up into 2 groups, grades 3-6, and 7-9. There is no pre-registration required. You may simply bring your child/children up to the high school football field on the first morning and pay the registration fee and sign a waiver. We think this will be a fun time for the young football players, as well as a chance to learn the fundamentals of the game.

Grades: incoming 3rd-9th graders
Cost: \$40.00 (each additional child of same immediate family \$20)
Times: July 27-30, 8:30-11:30 a.m.

Thank you,

Brandon Brown
