Career and Technical Education Methods of Administration (MOA)

Jack County School Districts offers career and technical education programs in their respective schools. **Bryson ISD** offers courses in Agriculture Science, Family Consumer Sciences, and Business Education. **Perrin-Whitt CISD** offers courses in Agricultural Sciences, Audio/Video Technology, and Business Education. **Jacksboro ISD** offers courses in Agricultural Science, Architecture & Construction, Audio/Video Technology, Education and Training, Family Consumer Sciences, and Health Science.

Admission to these programs is based on interest and a desire to enroll in career and technical education.

It is the policy of the Jack County School Districts not to discriminate on the basis of race, color, national origin, sex, handicap, or age in its vocational programs, services, activities, and/or its employment practices as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amended.

The Jack County School Districts will take steps to assure that lack of English language skills will not be a barrier to admission and participation in educational and vocational programs.

For information about your rights or grievance procedures, contact the Title IX Coordinator:
