ACADEMIC PROGRAMS AND REQUIREMENTS

Academic Honor Code

Academic Honesty

Academic honesty is a fundamental principle at Jacksboro High School. It means that you assume responsibility for your own work at all times. It is difficult to juggle school work with extracurricular activities and jobs, and the pressure to be successful will produce stress from time to time. However, academic honesty is about facing these pressures without compromising your integrity. The work you submit should be the result of your own thoughts, time, and effort.

Violations of Academic Honesty

There are many forms of academic dishonesty. In the broadest sense, it is any act that enhances a student's grade unethically and unfairly. This may be done by submitting someone else's work as your own, in whole or in part; by failing to acknowledge assistance received; or by using unauthorized assistance in exams including notes or unauthorized advance knowledge of the test.

Violations of academic honesty include but are not limited to:

1. Submitting another person's work as your own work.
2. Giving, posting, or accepting a copy of (or information regarding) any assessments, quizzes, lab work, tests, or scoring devices.
3. Copying from another student's test or quiz or allowing another student to copy during a test or quiz.
4. Using materials or electronic devices which are not permitted during a test.
5. Plagiarism
6. Permitting anyone (including but not limited to another student, parent, or tutor) to do your homework, project, report, paper, or take-home test.
7. Falsely claiming illness to avoid the date on which a test, quiz, paper, project, report, or presentation is due. Falsely claiming an emergency or illness to miss a class.

8. Copying computer software, data, or graphics created by others without permission and acknowledgement.
9. Lying or purposefully misrepresenting the truth; the telling of an untruth or falsehood as well as any form of deceit, attempted deception, or fraud in an oral or written statement. For example, fabricating facts or results on a lab or written assignment, or feigning illness to gain extra preparation time for an assessment.
10. Stealing encompasses but is not limited to the following:
 - a. Taking another person's property without permission
 - b. Stealing copies of tests or quizzes; stealing the teacher's edition of the textbook; stealing another student's homework, notes, or handouts
11. Misusing the district computer systems that are used for student, staff, or administrative purposes.
12. Modifying or misusing any calculator device to vary from classroom guidelines to obtain an unfair advantage.

Collaboration on studying or homework is not considered academic dishonesty unless it is prohibited or limited by the teacher. If you are uncertain about an issue of academic honesty, you should talk to your teacher to resolve your questions.

Consequences

Consequences may include but are not limited to the following:

First Offense:

- Violation will be reported to the appropriate honor society & student organization sponsors. (Action will be taken in accordance with bylaws and procedures.)
- Student will receive a zero for the assignment.
- Student will be required to write a letter of apology to the teacher.

Second Offense:

- Violation will be reported to the appropriate honor society sponsors. (Action will be taken in accordance with bylaws and procedures.)
- Student will receive a zero for the assignment.
- Student will be assigned detention.
(Student is required to read and report on a book or article assigned by the teacher about ethics and write a letter of apology to the teacher.)
- Student will lose exemption privileges.
- Student membership in honor societies & student organizations is suspended.
Student is ineligible to serve as class officer or student organization officer.

Third Offense:

- Student will receive a zero for the assignment.
- Student is ineligible for membership in honor societies & student organizations and is ineligible to serve as class officer or student organization officer.
- Student will receive no letters of recommendation from Jacksboro faculty, administrators, and counselors.
- Other disciplinary action may be assigned as determined by campus administrator.

Important note: Academic Honor Code violations are cumulative. If you violate the code as a freshman and again as a junior, it will be your second offense.

Graduation Expenses

Because students and parents will incur expenses in order to participate in the traditions of graduation—such as the purchase of invitations, senior ring, cap and gown, and senior picture—both student and parent should monitor progress toward completion of all requirements for graduation. The expenses often are incurred in the junior year or first semester of the senior year.

Honor Graduate Requirements

To graduate with Honors at JHS the student must earn a **College Career Military Readiness** point, per TEA accountability. The student must also have a 4 year cumulative average of 90 or above.

Certificates of Coursework Completion

A certificate of coursework completion will be issued to a senior student who successfully completes state and local credit requirements for graduation, but fails to perform satisfactorily on the exit-level tests.

Correspondence Courses

Students interested in taking correspondence courses for credit should see the high school counselor. Only TEA approved providers may be used to furnish the courses. A fee is charged for these courses. Coursework for a **fall** semester class must be completed by the last day of the 1st semester. Coursework for a **spring** semester class must be completed by May 1st.

Early Graduation

A parent is entitled to request, with the expectation that the request will not be unreasonably denied, that the parent's child be permitted to graduate from high school earlier than the child would normally graduate, if the child completes all courses required for graduation and passed all state required assessments. Refer to Jacksboro ISD Board Policy EIC (LOCAL) for early graduation eligibility.

Students Enrolling from Unaccredited Schools

Any student enrolled in the Jacksboro Schools from a non-accredited school must meet with the counselor prior to enrollment and take a standard grade placement test. This along with grades and other information from the sending school will determine the grade placement of the student. The counselor, principal, and superintendent will make the decision as to grade placement. Out of state transfer students must meet the prescribed state graduation requirements in order to receive a graduation diploma.

Parent Information for State Assessments

The student and parent portal for the Texas Assessment Management System is accessible through a code on each student's confidential student report.

Grading Method

Class work, classroom performance, daily and weekly tests, and other activities will be considered when determining a student's six-week average. Six weeks averages will be determined by the following formula:

- Major tests/projects **50%**
- Daily work/minor tests **25%**
- Six weeks test **25%**.

There are exceptions to this system, such as performance courses. These include physical education, art, band and certain other subject areas designated by the principal. Due to semester testing, the third and sixth six-week tests may be optional. Regardless of the type of course, each student will have at least **10 grades** so that his/her progress during the reporting period can be fairly evaluated. The final grade each semester will be based on the three six-week averages and a final exam. Semester averages will be calculated in the following manner. Each six weeks will be **1/4** of the semester grade, and the semester test will count as **1/4** of the grade.

Homework

Homework will be assigned at various times by teachers. Students are responsible for turning in all work on time, or penalties will be assessed. Refer to the teacher's class syllabus for policies regarding late work.

Make-up Work

Following an absence, students will be allowed the number of days absent plus one additional day to make up any work missed during the absence. It is the student's responsibility to ask for make-up work. Parents must call the high school office by 9:00 AM to request assignments for students who are absent.

Progress Reports

Progress reports are distributed to students on the Wednesday following the first three weeks of each six weeks.

Advanced Placement

Courses are offered for Advanced Placement (AP) credit at JHS. All students enrolled in an AP course are required to purchase and take the Advanced Placement test. Students who are participants in the Gifted and Talented program are required to be enrolled in a least one Pre-AP or AP course each semester of their enrollment at JHS.

Dual Credit Courses

Dual credit courses are offered for students to earn both high school and college credit. Tuition is required to gain college credit in all dual credit courses. In order to enroll in a dual credit course, high school students must meet the following requirement.

- Meet minimum requirements for TSI

- Have at least an 85.0 High School GPA
- Achieve a “Approaches Grade Level” on all STAAR End of Course exams for the current year
- Earn at least a “C” to continue in the dual credit program; **students who earn a “D” will receive their high school credit but cannot continue in the program for the remainder of high school.**

College Entrance Exams

Many colleges require either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) for admission. Students are encouraged to talk with the counselor during their junior year to determine the appropriate exam to take; these exams are usually taken at the end of the junior year. See the counselor for registration deadlines and test dates:

Off Periods

Seniors will be allowed 1 off period if the following criteria are met:

- Met “Approaches Grade Level” performance on all required End of Course (EOC) exams or be enrolled in an accelerated instruction course for any EOC exam not passed. The student must be on track to graduate at the end of the current school year.
- Did not exceed attendance limits during the previous semester.
- The student must have earned a point for CCMR accountability.
- In order to receive an off period, seniors must be enrolled in at least one Career and Technical elective course.

The principal will determine the class periods in which off periods will be offered. Off periods are considered a privilege and can be revoked at the discretion of the administrative team which consists of the Principal, Assistant Principal, and Counselor.

Schedule Changes

1. All schedule changes must be complete within the first week of a semester.
2. Extenuating circumstances may permit schedule changes during the second week of a semester.
3. Teachers may request that a student be placed in a lower level class if the student is unable to perform at the required level or meet the rigor and pace of the class. This request should be made no later than the second six weeks of each semester.
4. Students may at the request of the teacher be withdrawn from a Honors or AP course if they receive a failing grade in that course for a six weeks grading period. Failure of two six weeks in a Honors or AP course will result in the student being removed from the course.
5. Other extenuating circumstances will permit the principal to make schedule changes in collaboration with the counselor, parents, students and teachers involved.

Summer School

Summer school is available for students needing to recover credit(s) attempted but not earned during the regular school year. The following guidelines apply to summer school at Jacksboro High School:

- Tuition - \$75 per ½ credit for Jacksboro ISD students; \$150 per ½ credit for out of district students. Tuition must be paid by the second day of class, or the student will be withdrawn. Tuition is non-refundable.

- Courses offered – English I-IV, Algebra I & II, Geometry, Government, Economics, World History, U.S. History, and World Geography. Other courses may be offered based on student needs.
- Maximum credits – A student may earn a maximum of one full credit (two ½ credits) during summer school.
- Student transportation will not be provided.

Spring Semester Test Exemptions

- For grades 9 – 11, only core classes may be exempted (English, Math, Science, and Social Studies)
- Elective classes are not eligible for exemptions.
- The table below will be used to determine if a student is eligible for an exemption.

Average for Semester (4 th , 5 th , 6 th Six Weeks)	Attendance Requirement to be Exempted
90 – 100	No more than 8 absences
80-89	No more than 5 absences
70-79	No more than 3 absences

The principal will determine the criteria for exemptions to be granted. Students are required to take semester exams in their elective courses. Seniors must take a semester exam in their course if they are failing the class.

ACADEMIC AWARDS

Any student in high school who makes an average of 92 or higher (not 91.99 or lower), in all subjects (including PE) and who has no grade on their six-week reports below 85 during the first five (5) six-week periods of a school year will be given an academic award. A student who is eligible may choose either a jacket (one jacket per career), or other award determined by the administration. **Citizenship grades are not included in this average.**

Master Achievement and Honor Roll

Recognition of academic excellence at Jacksboro High School is done through the Master Achievement Awards and the Honor Roll. The Master Achievement Awards are given each six weeks to those students who have made 90 or above in each subject and no grades lower than “S” or “E” in conduct.

Students making the Honor Roll must have a 90 (at least 89.5, rounded to 90) average and no conduct grade lower than “S”. Students must be enrolled in five or more subjects and DCP students must be enrolled in four or more academic subjects to be considered. Weighted courses will be averaged for Honor roll and Master Achiever. In determining the numerical average, the non-academic classes of athletics, physical education, and marching band (fall) will not be averaged in, but the conduct grades in these courses will be considered in determining master achievers. A student with a grade of below 70 in any course (including Pre-AP and AP classes) will not be recognized for Master achievement or honor roll.

Perfect Attendance Awards

Attendance is a key factor in any student's education. Students who attend class regularly learn more and retain their knowledge for a longer period of time. For this reason, Jacksboro High School recognizes those students who have not been absent during the school year. A student who misses any class time, unless on school business will not be able to receive this award. Trips to the doctor, dentist, college visits and other non-school activities will be classified as absences.

Outstanding Senior Boy and Girl

Outstanding Senior Boy and Girl Awards follow the same guidelines as valedictorian and salutatorian concerning attendance requirements. To be considered, a student must attend JHS his/her entire junior and senior year, but the four-year average will be considered. See the Student Services Director for more information.

ATTENDANCE

For state funding purposes the attendance period at Jacksboro High School is **2nd period (8:44-9:34 am)**. Please schedule appointments for your student after second period.

Late Arrival to School

A student who is tardy to class by more than 10 minutes will be counted absent for that class period. Students arriving after 8:00 am must report to the high school office to sign in before going to class.

Absences

When a student is absent, a parent or guardian must contact the school before 9:00 am to report the absence. Upon returning to school, a note signed by the parent or guardian will enable the student to receive an absentee slip to be signed by teachers throughout the day. Makeup assignments or tests will be made available after a documented absence. Teachers shall inform students of the time allotted for completing make up work after an absence (as a minimum, one day per day of absence). The student is responsible for getting missed assignments and completing the work within the allotted time.

After a scheduled absence, such as a doctor's appointment, field trip, UIL competition or FFA trip, the student will have the same amount of time to make up work as the number of days he/she was absent. However, when a student returns to school after any absence, he/she is responsible for work assigned prior to the absence.

A student is considered 'truant' if he or she returns to school following an absence and does not provide documentation as to the cause of the absence. Any work missed while a student was truant will not be eligible to be made up as per the normal make up procedures. The student will receive a 0 for any assignments missed while being truant, in addition to 2 days of ISS.

If a student has more than five unexcused absences (**undocumented absences**) or they have attended fewer than 90 percent of the days the class is offered, they will forfeit the privilege of parking on campus, attending non instructional field trips, prom, senior class activities, participation in extracurricular school activities and graduation ceremonies.

Saturday School

The attendance committee has the option of assigning Saturday School for attendance make-up. A fee of **\$5.00** per hour will be required in order to attend Saturday School. The fee must be paid in advance or on the day that Saturday School is being held.

Documented Absences - Students may have their documented absences declared as excused by the attendance committee for the following reasons: personal illness, sickness or death in the immediate family, quarantine, weather or road conditions, medical or dental appointments, family emergencies or unforeseen or unavoidable instances requiring immediate attention, approved college visitations and any other unusual cause acceptable to the school. All other reasons will be classified as unexcused absences.

Undocumented Absences - Students with undocumented or unexcused absences who have lost credit may regain credits by fulfilling the requirements established by the attendance committee.

Tardies

Tardies are excusable only in cases of sickness or emergency or with a note from a teacher. Students who are late to first period shall report to the principal's office for a tardy permit. No student late to first period will be permitted to enter class without a tardy permit signed by the principal or designee. All other class period tardies will be documented by the teacher; no tardy permit is required.

Tardies are cumulative for the semester. The following actions may be taken upon receipt of the designated number of tardies:

3rd tardy: conference with student and parent contact.

6th tardy: Parent contact will be made and Detention will be assigned.

Seven or more tardies-possible actions include: detention, loss of extracurricular privileges for a designated time period, Loss of Parking Pass, Saturday School, ISS or DAEP.

Student Release from School

Jacksboro High School has a closed campus. Students are not allowed to leave the school grounds for any reason, without permission from a school official. Students may not leave the campus for lunch, without permission from a school official. At any time other than the end of the school day, any student needing to leave school grounds for any reason other than a school activity must first come to the office and - with permission of adult office personnel - sign out giving name, destination, and time of departure from school. A note will need to be provided by the parent/guardian before we will allow a student to sign-out. If a note is not provided, the student may try to contact a parent/guardian by phone. If the office does not receive permission from a parent/guardian, the student will not be allowed to leave campus. Failure to obtain permission upon leaving will be considered truancy and appropriate discipline will be issued. Upon returning to school, the student should come to the office and sign in giving the time of return.

DISCIPLINE MANAGEMENT

DRESS AND GROOMING (All Grade Levels)

The district's dress code is established to teach grooming and hygiene, prevent disruption, and minimize safety hazards. Students and parents may determine a student's personal dress and grooming standards, provided that they comply with the following:

The Jacksboro Independent School District's Board of Education has established the following student dress code to promote community pride and spirit, to establish trust among citizens and students, to encourage professionalism, to promote discipline and to ensure the educational efficiency of the Jacksboro School system.
