

School Health Advisory Council Meeting

The Jacksboro ISD School Health Advisory Council (SHAC) met on October 26, 2020, in the JISD Boardroom. The meeting was called to order at noon. In attendance were Alinda Cox, Dwain Milam, Brad Burnett, Craig Adkins, Tonya Treadway, Teresa Howard, Dori Taylor, Karen Vanderkaay, Kim Hart, and James Henry.

Agenda with meeting minutes

1. Welcome
2. Introduce new members - Mr. Burnett introduced Officer James Henry as the District's School Resource Officer.
3. Child nutrition update - Craig Adkins, Child Nutrition Director
 - Mr. Adkins reported that the district served approximately 32,000 breakfast and lunch meal and over 23,000 after school snacks since school began on August 19, 2020. Mr. Adkins complemented the elementary staff for assisting with meal service in classrooms due to COVID-19 protocols.
4. Review the District's response to COVID-19
 - [JISD Public Health Plan](#) - Mr. Milam updated the council on the district's public health plan and how it has been used to respond to lab-confirmed positive cases of COVID-19. Mr. Milam emphasized that County Judge Keith Umphries, County Emergency Management Coordinator, Frank Hefner, and County Health Advisor, Dr. Cooper, have been tremendous resources for the school district since school resumed in August.
 - [Asynchronous Instruction Plan](#) - Mr. Burnett reviewed the district's asynchronous instructional plan with the council. The plan includes in-person instruction options, intermittent in-person/remote instruction (for a student in quarantine), and full-remote instruction. Mr. Burnett outlined the resources available to all students.
 - [Telehealth partnership with Faith Community Hospital](#) - Mr. Milam informed the council about a collaboration between JISD and FCH to provide telehealth services to students and staff members. FCH is providing a full-time nurse to the district to evaluate symptoms, contact parents, schedule telehealth consultations with physicians, conduct testing (strep, flu, rhinovirus, COVID), and order prescription medications. This partnership has proven to be effective in diagnosing and treating

students and staff who develop symptoms of COVID-19 and eliminates the need for office visits to the FCH clinic, thus mitigating the spread of COVID and other diseases.

- [Reporting of COVID-19 cases](#) - Mr. Burnett showed the council how the district was reporting lab-confirmed COVID-19 cases on the JISD website.
 - [Notification of a Lab Confirmed COVID-19 case](#) - Mr. Burnett provided an example of how Mr. Milam notifies staff, students, and parents of lab-confirmed COVID-19 cases reported to the district.
 - [Remote Learning update by Campus](#) - Mr. Burnett provided an update of the number of remote learners and students required to quarantine during the first six weeks of school. The district currently has 17 remote learners, which equate to less than 2% of the total student enrollment.
5. FCH/City Drug Store Flu Shot Clinic for Staff and Students - October 27, 2020
- Personnel from FCH and City Drug will provide flu shots to staff and students at each campus in the district on 10/27/2020. Another example of the great partnership between the district and local health care providers.
6. State-mandated training related to health & wellness.
- **Mental Health First Aid** - Mr. Burnett reported that all teachers and administrators in the district completed Mental Health First Aid training provided by the Helen Farabee Center.
 - **Stop the Bleed - Staff & Students (grades 7-12)** - Mr. Burnett stated that all district employees (administrators, teachers, paraprofessionals, support staff, substitutes, and bus drivers) received Stop the Bleed training during district in service in August. Officer Henry is a certified STB trainer and will provide this training to students in grades 7-12.
 - **BLS/CPR/AED - Staff & Students (grades 9-12)** - Mr. Burnett informed the council that the district contracted with United Health Systems to provide basic life support, CPR, and AED certification training in July 2020. The certification is good for two years. The district requires all coaches and activity sponsors to be BLS/CPR/AED certified. The district nurse, Tonya Treadway, provided CPR/AED training to JHS Seniors on October 21, during an
 - **Dating Violence Prevention, Healthy Relationships** - Karen Vanderkaay with Wise Hope reported that she is scheduled to present this training to

high school “Principles” classes during November. She will present to middle school students during the spring semester.

- **Bullying Awareness and Prevention** - Mrs. Vanderdaay is currently presenting a bullying awareness program at the elementary school. Mrs. Howard stated that she works with parents to educate them on the behaviors that constitute bullying. Mrs. Howard counsels with students who have been accused of bullying in addition to any disciplinary action taken by campus administrators.

7. Health & wellness updates by campus

- **Elementary** - Mrs. Howard is focusing on students’ social-emotional health in light of the pandemic. She stated that anxiety had been a serious issue since school resumed in August. She has regular counseling sessions with students dealing with anxiety.
- **Middle School** - Mrs. Stretcher was unable to attend the meeting.
- **High School** - Mrs. Taylor reported on a recent “adulting” day for seniors. The day consisted of workshop sessions to help seniors transition into becoming responsible adults. Topics included CPR, Budgeting and Taxes, Cooking, Interview Skills, Car Maintenance, Going to College Tip, Trade School Opportunities, and First Aid.

8. SHAC priorities for 2020-21

- The council agreed that each campus should focus on meeting each child’s basic needs due to the local economy’s current state. The elementary campus will support the Backback Buddies program and seek donations of children sized sweat tops, sweat pants, socks, and underwear. Currently, the elementary campus has plenty of coats to distribute to students in need. The high school campus stocks a blessing box with nonperishable food items, toiletry, and hygiene products. The high school Science Club collects and distributes clothing items through The Clothing Rack project.

9. Schedule next meeting for Spring 2020

- Mr. Burnett will schedule the Spring SHAC meeting for early April 2021.

10. Adjourn

- The meeting was adjourned at 1:05 pm.
